An act to add Section 13353.42 to the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 638, as introduced, Longville. Drivers license: restoration.

Existing law prohibits the restoration of the privilege to operate a motor vehicle following a suspension or revocation of that privilege because of driving-under-the influence offenses until all applicable fees have been paid and the person provides proof of financial responsibility.

This bill would additionally prohibit the restoration of the privilege to operate a motor vehicle by a person whose privilege is suspended based on multiple driving-under-the influence offenses occurring within 7 years unless that person operates for at least one year on a restricted driver's license prohibiting that person from operating a motor vehicle unless that vehicle is equipped with a functioning and certified ignition interlock device.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1     SECTION 1. Section 13353.42 is added to the Vehicle Code,  
2     to read:  
3     13353.42. Notwithstanding any other provision of law, the  
4     privilege to operate a motor vehicle may not be restored following

1 the suspension or revocation of that privilege as to a person  
2 described in paragraph (1) of subdivision (f) of Section 23575  
3 unless that person operates for at least one year on a restricted  
4 driver's license pursuant to Section 13352 prohibiting that person  
5 from operating a motor vehicle unless that vehicle is equipped with  
6 a functioning ignition interlock device, certified pursuant to  
7 Section 13386.
